Cydney Benes

My Name is Cydney Benes and I am 18 years old. I will be attending Auburn University in the Fall on a riding scholarship. I Started showing Florida Quarter Horse Shows at the age of six. At this age I would always do the walk trot classes but as I continued to improve I was able to move up into the loping divisions. These classes allowed me to gain a lot of knowledge and experience in the show pen. It was at these shows that I became the rider I am today. All of the long hours and hard work allowed me to become successful. My favorite class to show in would have to be horsemanship. Showing the pattern classes is always a thrill to me and I love getting to show off the horses talents through the patterns. I've represented Florida at the Quarter Horse Congress and Youth World for the past 10 years and enjoy it so much.

Silent Auction

Thank you to everyone who donated and everyone who bid. It was a very successful auction and were glad you all participated.

Decorations for Youth World were decided

Decorations were decided as black stall curtains with potted plants in the front of the curtains, and a stall front (similar to the one last year).

The song we decided on for youth world is “Going back to my Roots” by Imagine Dragons.

The Banquet was lovely thank you to everyone who attended!!!
